

NEWS RELEASE
August 31, 2017
FOR IMMEDIATE RELEASE

TO: ALL CUSTOMERS & PRESS
SUBJECT: ISUZU EXHIBITING AT POWER-GEN 2017

PLYMOUTH, MI – Isuzu Motors America, LLC PowerTrain Division (ISZAPT) is pleased to announce plans to exhibit at this year's Power-Gen International event taking place at the Las Vegas Convention Center on December 5-7, 2017. This is the world's largest power generation event providing full coverage of the trends, technologies and issues facing the generation sector, attracting more than 20,000 attendees with more than 1,400 companies exhibiting.

ISZAPT will be located at booth #1217 in the North Hall and will be showcasing the 3C- and 4L-Series engines. The ISZAPT sales team will be in attendance at Power-Gen 2017 and are pleased to provide more details on these engines inclusive of our entire product offering or to answer any questions.

About Isuzu

Established in 1916, Isuzu has developed into a technological leader in transportation, commercial vehicles, and Diesel engines worldwide, with a diverse portfolio of industrial Diesel engines for on- and off-road use, marine, commercial vehicles, sport utility vehicles, and pick-up trucks. These customer-focused products are reliable, eco-friendly, durable, and technologically advanced.
